MyRhythm.com is a new website that will make internet presence affordable to Nigerians and other Africans in the music industry.

For just N15, 000. 00, Artists, producers, DJs, studios, producers, promoters, magazines, songwriters and amateurs can now have their own personal website, complete with streaming audio samples and MP3 downloads.

Everyone on the site will also automatically have an email address reserved for them.

It takes less than a week to get hooked up, and you will be available to the over 80 Million internet users worldwide.

We also have links with most of the reputable Nigerian web sites, and will make it possible for all artists to enjoy reviews from these other sites.

Guidelines

1. Include a clear photo, showing the artist clearly. Could be from a live performance. Color or Black & White.
2. Provide Artist information, including biography, music style, discography.
3. Supply a CD containing the songs that are for online sampling, and indicate the songs to be used online.
4. Return this form with the full payment (N15, 000) to us. (Cheques payable to '**CNE Engineering Company Limited**')
